MIND READERS

The Cognitive and Linguistic Sciences in the 21st Century

Michael Gazzaniga
The Ethical Brain

Michael Gazzaniga is author of the best-selling book, The Ethical Brain, and a leading researcher in cognitive neuroscience who has done pioneering work on left brain/right brain lateralization. He is the Director of the Sage Center for the Study of the Mind at UCSB, President of the American Psychological Association, Editor of the Journal of Cognitive Neuroscience, a Fellow of the American Academy of Arts and Sciences and AAAS, and a member of the President's Council on Bioethics. He is also author of Mind Matters, The Social Brain, and Nature's Mind.
